

## Newsletter # 66 – July 2024

### TECHNICAL WORKING-GROUP MEETINGS

#### July 2024

- Tuesday 2 : Safety Instrumented Systems  
Friday 12 : Control system, Supervision,  
Simulation and Programing

#### August 2024

- Thursday 29 : Industrial Analyzers – Safety and Detection

*An updated calendar is available on [www.exera.com](http://www.exera.com)*

*Members of Namur, EI, WIB or CLUIAS who wish to attend one of the meetings are welcome to contact our office.*

### ONGOING OPERATIONS

- May 2021 Development of an online database of safety-instrumented-systems' incidents  
Jan. 2023 Evaluation of 7 surface temperature probes [0°C to 100°C] in gas or liquid fluids  
July 2023 Drafting of a (paper) selection guide on flowmeters for pressurized piping  
Sept. 2023 Evaluation of smartphone applications for measuring angles and distances  
Dec. 2023 Evaluation of flame ignition detectors.

### UPCOMING OPERATIONS

- Evaluation of small flowmeters for unusual gases
- Cybersecurity analysis of the future online database of safety-instrumented-systems' incidents.

*Manufacturers and distributors who are interested in taking part in these operations are invited to contact our office.*

### ASSOCIATION UPDATES

- 2025-Program Committee meeting on November 14<sup>th</sup>, 2024, on LNE premises in Paris, followed by **Exera's 50 years anniversary** celebration.
- Exera now has 380 followers on LinkedIn: feel free to stay connected to our news feed!

### REPORTS RECENTLY UPLOADED

- E6197X23R Evaluation of the Dräger Pulsar 7000 Open Path gas Detector  
E6198X23R Evaluation of the Emerson Spectrex SafEye Quasar 900 Detector  
E6199X23R Evaluation of the Honeywell Searchline Excel Plus Open Path gas Detector  
E6200X24R Evaluation of Five Open Path Gas Detectors - Summary Report  
M6201X23R Third update of the tutorial on norm IEC 62443 «Cybersecurity of Industrial Systems» - v2023.3

### UPCOMING EXERA EVENTS

- **Technical Day « Cybersecurity of industrial systems »**  
Registrations are now open to all, members and non-members (**register now on the Exera website**)  
*September 26, 2024, in Paris*
- **Technical Day « Industrial Instrumentation »**  
Registrations will be open to all (members and non-members)  
*Postponed to 2025 ; location to be confirmed*
- **“Expert Centre” Day**  
Visit of *Aéroports de Paris* facilities, for Exera members only  
*October 10<sup>th</sup>, 2024 at Roissy CDG airport*
- **“Manufacturer” Day**  
Visit of Yokogawa, for Exera members only  
*Date and location to be confirmed*

*Find all Exera upcoming events and other interesting events on our website home page: [www.exera.com](http://www.exera.com)*
