- NEWEC Steering Committee on December 3, 2025 in Germany
- Exera now has more than 400 followers on LinkedIn: **stay connected to our newsfeed too!**

### UPCOMING OPERATIONS

- Evaluation of electromagnetic flow meters (DEM)
- Evaluation of small flow meters for specific gases

*Manufacturers and distributors who are interested in taking part in these operations are invited to contact our office.*

### REPORTS RECENTLY UPLOADED

E6200X24R	Evaluation of Five Open Optical Path Gas Detectors - Summary Report
R6234X24R	Field Review of Obsolescence management Companies - Obsolescence of Electronic Systems: OBSAM Review

### UPCOMING EXERA EVENTS

- **“Manufacturer” Day**  
Visit of Siemens, for Exera members only  
*February 6, 2025 at Palaiseau (91)*
- **Technical Day « Industrial Instrumentation »**  
Registrations will be open to all (members and non-members)  
*June 5, 2025; location to be confirmed*
- **Technical Day « Cybersecurity of industrial systems »**  
Registrations will be open to all (members and non-members)  
*September 25, 2025, in Paris*
- **“Manufacturer” Day**  
Visit of Yokogawa, for Exera members only  
*October 16, 2025, in Vélizy, France*
- **“Expert Center” Day**  
For Exera members only  
*Date and location to be confirmed*
